

## Declaration of consent for the storage of applicant data in the application management system

I hereby consent to \_\_\_\_\_ [first and last name],

that advigo GmbH has access to my personal data collected via job-oriented networks (e.g. Xing, LinkedIn) as well as to the data I have provided to advigo GmbH during initial contact with advigo GmbH and/or during the application process (e.g. in cover letters, CV, certificates, applicant questionnaires, applicant interviews)

*[Please check the appropriate box, multiple selection possible].*

- for the application procedure,
- for one year after contacting me via a social network (e.g. Xing), if I should be considered for another job,
- beyond the end of the specific application procedure (for one year)

Insofar as I have communicated "special categories of personal data" in accordance with Art. 9 GDPR (e.g. a photograph that shows ethnic origin or information on the status of severely disabled persons, etc.) in my letter of application or other documents submitted by me during the application procedure, my consent also relates to this data. However, advigo GmbH would like to evaluate all applicants only according to their qualifications and therefore asks that such information in the application be omitted if possible.

This consent is voluntary and has no effect on my chances in the current application process. I can refuse to give my consent without giving reasons and without having to fear any disadvantages. I can also revoke my consent at any time; in which my data will be deleted immediately after completion of the application procedure.

I have received and taken note of this information letter in accordance with Art. 14 GDPR.
