

## Declaration of consent for the storage of applicant data in the application management system

I hereby consent \_\_\_\_\_ *[first and last name]*,

that adviqo GmbH will use my personal data obtained via career-oriented networks (e.g. Xing, LinkedIn) as well as the data I provided to adviqo GmbH during an initial contact with adviqo GmbH and/or as part of the application process (e.g. in cover letters, CVs, certificates, applicant questionnaires, applicant interviews),

*[Please tick where applicable, multiple selection possible]*

- for the application procedure,
- for one year after contacting me via a social network (e.g. Xing), should I be considered for another position,
- beyond the end of the specific application procedure (for one year)

are allowed to save.

If I myself have provided "special categories of personal data" in accordance with Art. 9 of the GDPR in my letter of application or other documents submitted by me in the application process (e.g. a photo that reveals ethnic origin or information about severely disabled status, etc.), my consent also relates to this data. However, adviqo GmbH would like to evaluate all applicants only according to their qualifications and therefore asks that such information be omitted from the application if possible.

This consent is voluntary and has no effect on my chances in the current application process. I can refuse consent without giving reasons and without having to fear any disadvantages because of this. I can also revoke my consent at any time; in this case, my data will be deleted immediately after the application process has been completed.

I have received and taken note of this information letter in accordance with Art. 14 DSGVO.
